Council Sets Pay Schedule For Employees

City Agrees to Turn Court Fines in to County

What is announced as a tentative schedule of salaries for City employees in the future, was adopted Monday night by the City Council. Mayor Yenne, Councilmen Batchelder, Mowday and Hayes voting yes, with Councilman Hanahan not voting.

The new listing gives pay increases to members of the Police and Fire Departments according to length of service and merit, it was declared by Councilman George Batchelder, and became effective September 1.

Fire Chief Carl Ahlgren will receive \$200 a month, while his assistant, John T. Riley, gets \$180. Captains L. Varni and F. Pimental are to be paid \$165 each and Hoseman G. Brown is raised to \$160. Hosemen H. D. Chapman, J. Vercelli and W. O. Lynch are upped to \$155.

The pay of Police Chief John Glavinovich remains at \$200, but Sergeant Charles Hardie will now receive \$195 monthly. Officers F. Davis and S. Williams are listed at \$185, with \$180 set as the salaries of Officers K. Nickerson and J. Viarengo. For the first month under the new set-up Officer H. Stevenson will receive \$160, \$170 for six months and \$175 for the next three months.

CANCEL ALLOWANCE

The council moved unanimously to cancel the former allowance given officers and announced that City Chiefs Ahlgren and Glavinovich and Street Superintendent H. L. Dygert would henceforth be supplied with gasoline and oil as required. Miss Norma Shadall, school nurse, is to be allowed gasoline to the value of \$3 monthly and T. L. Farnsworth, superintendent of recreation, is to be given \$10 fuel per month.

Referred to City Attorney C. N. Lavers was a new agreement with the Pacific Gas and Electric Company.

City Treasurer Grace Higgins was authorized to turn over to the County Treasurer fines and forfeitures taken in by the local court on arrests made by State officers on the East Shore Highway. This follows the recent recommendation of City Attorney Lavers.

Ordered passed to print was the ordinance rezoning property at Jackson Street and Solano Avenue to permit construction of a duplex dwelling. The first reading of an ordinance to regulate trailer camps in Albany was also approved.

Permission was voted to advertise for bids for construction of the new storm sewer on Portland Avenue. Also approved by the council was the digging of a well at Memorial Park to supply water for the lawn and shrubbery. Cost of the latter project will run about \$1000.

Compiano's Set For Celebration Next Saturday

Operated by the famous Compiano brothers, Frank and Louis, Compiano's, at 1201 San Pablo Avenue, El Cerrito, will hold a grand opening celebration next Saturday, September 11.

This newly appointed establishment, opposite the El Cerrito firehouse, has been completely redecorated and arranged, and offers an ideal location to enjoy tempting Italian dinners or short orders. Bob Ferraro, well known East Bay chef, is in charge of the kitchen, and issues a special invitation to banquets and weddings parties.

The place is now open for business but the big party to celebrate the completion has been set for next week-end.

2113 Students Register Here For Fall Term

Present attendance figures at the City's schools show a slight increase over last year's, it was pointed out by Allen Keim, superintendent of schools. A check this week showed 2113 students registered.

Marin School shows a slight decrease, enrolment being 713, whereas last year 735 students attended. Cornell shows an increase of 36, up from 574. Albany High boasts the greatest increase, 87 new students this term, bringing its total to 796.

At the latter school, seven new registrants are from out of the State. They are: Laura Netta and Emery Smith, Waterloo, Ia.; Gloria Perero, Clinton, Ia.; Joyce and Ravola Fox, Las Vegas, Nev., and Jean Haas and Leah Walters from Seattle, Wash.

Teachers Put In Vacations At Colleges

Albany teachers took a big dose of their own medicine this summer by attending school themselves. Not content with their degrees and certificates the instructors in the three schools attended universities, colleges and demonstration centers to keep themselves posted on progressive methods and theories. Approximately one teacher in every four did some type of professional work.

At Marin, Eugene Baker, the new principal, and Miss Beniah Leann attended the University of California. Miss Mildred McCann went to San Francisco State College. Miss Pauline Cruikshank studied at College of the Pacific. Mrs. Margaret D. Harvey attended the University of Washington and Miss C. Malik visited the Demonstration School sponsored by the University of California.

Kenneth Glines, principal of Cornell, and William Borden attended Pomona College. Mrs. C. Beach and Miss Grace Hinds were in attendance at Caroline Swope's Summer School in Santa Cruz. Miss Dorothy Nichols spent the summer at San Jose State College and Miss Shirley Bethel attended the Educational Guidance Center at Palo Alto.

Members of the Albany High School faculty who were found at the University of California this summer include William Feeny, vice principal, Mrs. Constance Dietschy, Andre LaFayette, Leonard Callan, William Woolworth and Stephen Sherry. LaVerne Brown attended the University of Oregon and Paul Nathan studied at San Francisco State College.

Store Robbed Sunday Night

The thief or thieves who looted his store late Sunday night must have been preparing for a long trip or a hard winter, according to the report made to police by Nick Martino, proprietor of the market at 905 San Pablo Avenue.

Among the items listed are a 100-pound sack of sugar, two cases of canned peas, a case of canned corn and four or five cartons of cigarettes.

Entry was probably gained by means of a key which Martino lost about 10 days ago and which was found in the looted storeroom.

The robbery was discovered by his clerk, Kenneth Stevenson, 18, 1928 Ramona Avenue, who went to the room to prepare a large order for an Oakland canning firm.

Illness has confined E. M. Wilson, editor of the Times, to his home at 1208 Evelyn Avenue, for the past two weeks. His condition is reported as improved.

'New' Father Escapes Fine For Speeding

It may have been the wings of a stork that Walter Lopez, 23, was listening for late last Thursday afternoon, but it was the more realistic scream of a siren that brought his 60-mile an hour dash on the East Shore Highway to an abrupt halt.

He was on his way from Richmond, where he is employed, to an Oakland maternity hospital where his wife was giving birth to a baby girl, when Officer Frank Davis stopped him, he explained to Judge Louis J. Hardie Wednesday night in court.

The judge, commenting that "these things don't happen every day," told the young father to attend traffic school in lieu of a fine.

The new baby weighed seven pounds and 14 ounces, Lopez proudly told court attaches. He lives at 1309 Myrtle Street, Oakland.

Another emergency brought a similar sentence to Mrs. L. Zuppan, who told of being arrested by Officer Davis on August 27, while driving 40 miles an hour on San Pablo Avenue. She was taking her husband to a dentist in Berkeley to have several teeth extracted, she said.

\$50 FOR RECKLESSNESS

No such story had Miss Fay Mackay, 22, comely Oakland department store employee, as she appeared on a charge of reckless driving. She demurely entered a plea of guilty and was ordered to pay a \$50 fine.

Miss Mackay, who lives at 772 21st Street, Oakland, was doing 75 miles an hour on the wrong side of San Pablo Avenue when arrested August 17 by Officers J. Viarengo and S. Williams.

She made a payment of \$9 to the court, promised to pay the balance in bi-weekly installments.

The speed of 55 on San Pablo Avenue on August 22, at 5 a. m., brought a fine of \$15 to John Tappan, 32, 832-A 55th Street, Oakland. He was arrested by Officer Viarengo.

Case of Stanley Butala, 860 Stannage Avenue, charged with alleged drunken driving, was continued to Tuesday at 9:30 a. m. He was apprehended by Officer Harry Stevenson Sunday morning after nearly crashing into the policeman's car, is at liberty on \$250 bail.

Released from Berkeley General Hospital Sunday night after emergency treatment was John McGowan, 27, 1339 Garfield Avenue. He was injured when the car in which he was a passenger skidded and over-turned on the Orinda Road south of St. Mary's College.

Albany Girls Beat Crockett

A woman's place may be in the home six days out of the week, but not on Sundays, judging from the crowd of fans who watched Albany's all-girl baseball team down a girls' team from Crockett and Albany, by a 7 to 2 score, at University Park last Sunday.

The game, a purely recreational venture, sponsored by the Albany Recreation Department, was exceptionally well played. The Albany girls, featuring a hard-hitting, fast-ball pitcher in Mrs. Emily Sbragia, a fine defensive infield, and a slugging outfield, had the game well in hand from the first inning, and claim that the trouncing they gave the Crockett team is nothing compared to what they are going to do to the Albany married men's team when they meet the unfortunate males next Sunday at 12 o'clock.

According to Mr. W. Slater, who manages the team, such interest has been shown by local women that attempts are being made to book more girls' teams for future Sunday games, and any women, single or married who are interested in playing have only to come out to University Park next Sunday at noon, and they are assured of playing at least a few innings, as well as spending an entertaining afternoon.

The following is how the local team battled last Sunday: Loretta Eppson, outfield; Myrtle Myers, second base; Emily Sbragia, pitcher; Edna MacAfee, shortstop; Mae Greenman, catcher; Viola Peacock, first base; Margaret Howell, outfield; Alice Wann, outfield; Catherine Webb, third base.

The Crockett team, a combination of Crockett and Albany girls, sometimes called the Albetts, batted as follows: Mrs. Robert Baker, outfield; Margaret Spinelli, first base; Lucille Gackertier, shortstop; Elsie Balfanz, catcher; Francis Murphy, pitcher; Esther Jewell, outfield; Dorothy Horgan, outfield; Josephine Williams, second base; Marion Hamilton, third base.

Toys Are Sought At Play Center

With the daily attendance now reaching 70, directors of the Play Center at Memorial Park for preschool children are now faced with the problem of getting toys for their charges.

Especially sought, according to Miss R. Quiggle, are small wheeled toys such as trucks, autos, wagons, etc. The youngsters apparently enjoy these the most, she said.

Since funds for equipment are negligible, the directors and members of the Mothers' Club are making an effort to secure these toys, either new or used.

Man Hurt as Car Hits Electroliner

In a spectacular accident shortly after 2:00 this morning, when his car swerved wildly across the street and came to a stop jammed between an electroliner and a building next to 748 San Pablo Avenue, Jarves Brown, 2637 Clinton Street Richmond, sustained a deep gash over his left eye. He was treated at Humboldt Hospital for the injury by Dr. Martin J. Lacey. The crash broke a gas main in the building, badly damaged his car.

\$600 Loot Is Returned in 'Mystery' Case

An Albany woman found herself robbed of \$600 in jewelry this week and had it mysteriously returned to her before she could call in local police.

She is Mrs. George W. Peck, 737 Adams Street, who missed two valuable diamond rings from her home. Monday afternoon. Thinking that her son, Orin Peck, 23, a musician, might have removed them from the bureau to a safer place, she made no effort to notify authorities.

Tuesday morning, however, learning that he had not seen the articles, she was preparing to report the loss when her doorbell rang. At the door stood a woman, holding a jewel case which Mrs. Peck recognized as hers, previously unmissed.

The woman, who refused to identify herself except to state that she "lived down the street," then returned the rings and other jewelry that Mrs. Peck had supposed was still in her bureau, with this story:

Her brother-in-law, a Texas policeman visiting here, had been passing Mrs. Peck's house the previous afternoon and had seen a short, dark man climbing out of a front window with the jewelry case in his hand. Stopping the thief, the policeman took the loot from him and let him go.

Because he had to leave for Texas early Tuesday, he had told this woman, his sister-in-law, to return the stolen articles, she concluded.

After the incredible tale, and still refusing to identify herself more fully, the strange woman left Mrs. Peck too overcome to notice which way she went.

Police Sergeant Charles Hardie investigated the scene of the robbery and was unable to find any fingerprints or other clues to the intruder.

Mr. and Mrs. Walter Webber, of 1048 Pomona Avenue, and the latter's mother, Mrs. Lena Engelbach of El Cerrito, spent last week-end in Yosemite.

Y.M.I. Group Fetes Guests

At one of the best attended meetings held in this district, Berkeley Council No. 63, Y.M.I., played host Tuesday evening to the members of Sadoe Council of Pittsburg at St. Ambrose Hall.

Color was added to the gathering as members of the visiting council arrived attired in varying regalia of the order. Also present were the grand officers from San Francisco and representatives from American No. 8, Oakland No. 6 and Cabrillo No. 614 Councils.

Master of ceremonies at the banquet and entertainment which occupied the evening was Frank Ryken, Jr., president of the local group. The program was in charge of Frank Ryken, Sr., William Slatery, Phil Schleyer, Del Brunetti and George Smallholtz and featured Ed Howell and his entertainers from the Albany Recreation Department.

Girls Please Rotary Club

In the absence of his scheduled speaker last Monday noon, program chairman Ed Ryken immediately bethought himself of the many talented children that attend this city's schools and summoned Lorraine Crudo and Blanche Regalia from Cornell to delight assembled Rotarians.

Miss Crudo, 11, brought her trusty accordion along and offered several numbers. She was followed by Miss Regalia, also 11, who appeared in several selections on the piano. Both girls were praised by the club members and guests for their clever presentations.

The meeting, held at the Memorial Building, was presided over by President Kenneth Glines, also principal of Cornell School.

Local Painter Has Record of 200 Contracts

Two hundred homes painted and decorated in two and a half years will be the enviable record of W. E. Woolworth, well known local contractor, when he completes his newest job, the painting and decorating of Dr. G. P. Doyle's beautiful home at 41 El Camino Real.

Woolworth, a graduate chemical engineer of the Pratt Institute of New York, has lived in Alameda county for 16 years, during which time he has been in constant contact with some branch of the paint industry, having been retained by the Magnus Paint Company for five years as General Superintendent in charge of formula research, and was also associated for many years with the Friedman Paint Company.

According to Woolworth, in the near future, the name of his company will be changed to W. E. Woolworth and Sons, so as to include his two sons, John and Charles, who form an invaluable part of the combination. Two other sons, William and Robert, who do not form a part of the company, but live in the family home at 825 Madison Street, represent the Woolworths at Albany High School. William as an instructor of English, and Robert, the youngest of the family, as a student.

Veterans and their friends of the East Bay were apprised this week that one of the big events of the season is almost at hand, as Leland Bergesen Post No. 2658, Veterans of Foreign Wars, announced that the annual Smoker is to be held next Friday night, September 10, at the Veterans Memorial Building in this city.

With a past record of putting on affairs that are highly successful, the local Post promises that this year's Smoker will be the sensation of them all. Al Washer has been secured to act as master of ceremonies.

Invitations are being issued by members of the Post this week and must be presented for admittance, it is explained. Since the seating capacity is limited, this rule will be rigidly enforced.

SIGN MANY STARS

A glittering array of talent has been signed by the committee in charge, to assure the success of the event. Such well known stars as Zoe Dell Lantis, Consuello Gonzales, Peggy Kareen, The Barrotas, Jack Thomas, Leilani Sherwood, Marie Looke, Arvetta Darne and many other outstanding performers will appear on the program.

A full and varied evening of songs, dances and skits will be offered the guests of Albany's active V.F.W. Post in a show that, it is predicted, will outrank any previously produced in the bay region. Many surprise numbers will be presented, according to Chairman J. R. Morris.

GET REQUESTS

The committeemen have already received many requests from other V.F.W. Posts throughout the East Bay for tickets to the affair, related Morris. This advance demand indicates that the local auditorium will be completely filled on the big night, he declared.

In order to present an affair that will be worthy of the interest already exhibited, members of the committee have been working on plans and details for the past several months, it is reported. Many acts and numbers were witnessed and those selected literally represent the best obtainable.

Commander J. R. Duncan of Leland Bergesen Post expressed the group's thanks to all merchants and business firms whose splendid cooperation and aid have made it possible to put on the Smoker next Friday night.

Post Elects New Officers

Annual election of officers of Albany Post, American Legion, will be held tonight, announces Commander Leon Fay. All members are requested to be present.

Nominations closed at the last meeting and the polls will be open from 7 till 9 p. m., a different procedure than in former years. The regular meeting will follow.

Tonight's elections will conclude active campaigns for several of the offices, it is said. Ballots will carry names of these candidates:

Ammon A. Cook, commander; E. R. Birks and Walker Lyon, first vice commander; James Sartain, second vice commander; George Foley, adjutant; John Evans and A. H. Harrison, finance officer; Howard Hill and Ralph Young, sergeant at arms; Edward Krox, chaplain; Clarence Finn and H. L. McDuffie, historian; Henry Hamann, Earl Hodgkins, George Wilson, Theo Flecken, Andre LaFayette, Godfrey Hansen, Harold Morian, Howard Serrels and Charles Lindh, executive committee. Four are to be elected to the latter group.

These feminine ball players, from Albany and Crockett, put on a fast display of their ability last Sunday at University Park. The team bearing the local title came out on top, 7-2. As a result, a challenge has been issued to the Married Men's team of this city, the game to take place next Sunday noon at a local park.

AT ALBANY HIGH SCHOOL

By BILL SAVAGE

A record enrolment was set for Albany High School Monday, with the return of the old students and the entrance of more than 150 new faces, bringing the total to 790 pupils. The total will soon top 800 as many new enrolments are customary during the first few weeks of the school year.

While the majority of the new students were the graduates of Albany's elementary school approximately 30 new students entered from other high schools in the neighborhood. A few came from considerable distances such as Indiana, Washington, Iowa and Nevada.

Some additions were made to

the curricula offered at the high school by the introduction of a course in physiology and a course in foods. The physiology course is for anyone and the foods course for girls only.

The high school now offers subjects sufficiently varied to satisfy the major educational needs of Albany's young citizens. The small classes which are the necessary consequence of all beginnings offer advantages to the student who profits by more individual attention than will be possible when the enrolments in all classes reach maximum numbers.

The lower floor and basement of the newest unit were opened to classes this semester. The lower floor is occupied by offices for the principal, vice principal, girls' counselor and dean of boys. The basement is occupied by the new cafeteria which provides accommodations for approximately 500 students.

Nineteen graduates of Albany High have entered the University of California and two are attending San Francisco State College.

Four new teachers and one temporary teacher brings the faculty list to 34.

WE DON'T GAMBLE WITH MOTORISTS' LIVES!

BLOW-OUTS are caused by the terrific heat generated inside all tires by today's high speeds. This heat causes rubber and fabric to separate. A tiny blister forms, grows bigger and BIGGER, until sooner or later, BANG! It's a blow-out! You can't stop—you can't steer as your car zooms out of control.

WE SELL GOODRICH SAFETY SILVERTOWNS
the only tires that give you GOLDEN PLY BLOW-OUT PROTECTION!

THOUSANDS are killed or injured in blow-out accidents every year. That's why Goodrich Engineers developed the Life-Saver Golden Ply. This amazing invention resists heat so that rubber and fabric do not separate—blisters do not form. Thus blow-outs are headed before they even get started.

And here's more good news! Goodrich Silvertowns cost less than other super quality tires, so you pay nothing extra for Golden Ply Blow-out Protection—it's FREE! Come in today and let us show you this life-saving invention.

Merchants Win

Tilt Sunday, 8-7

In 10 innings of fast baseball last Sunday, the Albany Merchants finally nosed out the Grace Brothers Beer outfit by a score of 8-7, at Richmond.

Fans saw seven home runs scored during the contest, of which number three were earned by Kiley, Huston and F. Peacock of the local squad. Kiley also got two two-base hits, while his teammate, Cerato, was credited with one. Caruso scored four singles.

The game was tied up in the ninth by Peacock's homer, was won in the tenth when Connors sacrificed, scored on a hit by Caruso.

Since the losers finished in second place in the recent Oakland Tribune tournament, final outcome of the game proved a decided upset.

**Mrs. A. J. Clarkin Gives
Birthday Party for Son**

Ronald Paul Clarkin, who recently became two years of age, was given a birthday party by his mother, Mrs. Albert J. Clarkin, at their home, 631 Carmel Avenue, on Wednesday afternoon, August 25.

Cellophane party favors given to the small guests who attended and the decorative scheme carried out in the dining room, where refreshment were served, were entirely in blue.

Those present were Mrs. F. Schmitz and sons, Frederick and Walter; Mrs. Collyer and son, Paul; Mrs. T. Cleveland and children, Janet and David and Mrs. William Benson and daughter, Beverly.

**Friends Feted
By Mrs. W. Webber**

The colorfully decorated home of Mrs. Walter Webber, 1048 Pomona Avenue, was the setting for a dinner Tuesday in honor of a number of her friends.

Present as guests were Mrs. Ann Harve of this city, Mrs. Anna Roblick, Mrs. Louise Uth, Mrs. Elsie Kretlow and Mrs. Lena Engelbach, of El Cerrito.

Because there was insufficient time to notify members of the Faculty Club meeting, scheduled for the first Wednesday of this month, it will be suspended for September but will be held on October 6 according to Mrs. Allan Keim, who plans to entertain the group then at her residence, 617 Curtis Street.

**Ladies Aid Will Serve
Pot Luck Lunch in Park**

Because Admission Day falls on their regular meeting date, the Ladies Aid of the Grace Lutheran Church will convene on Wednesday afternoon, September 8, instead, according to Mrs. Clara Hanson, president.

The affair will start off with a pot luck luncheon at 1 o'clock which will be served in Memorial Park, and later a business meeting will take place in the Memorial Building.

The benefit luncheon given last Tuesday was pronounced a decided success. Those in charge were Mrs. Helene Thomas, Mrs. Abigail Herr and Mrs. Emily Deesen who were assisted by Mrs. Ione Hanson, Mrs. Cordula Schinnerer and Mrs. Anita Leschot.

**P.T.A. Board to
Meet on Tuesday**

Although Mrs. E. L. Stine, president of the Marin School P.T.A. is away on a belated vacation in Southern California, it is expected that she will be back in Albany in time to preside at the executive board meeting which will take place on Tuesday, September 7.

It will be the first meeting since the school vacation and all members are urged to be present by Mrs. Frank Young.

**Court Puts Case
Over 6 Months**

Continuance of his case until February 2, 1938, was granted Darrel Duncan by Judge Louis J. Hardie Tuesday morning. The motion followed the request of Arthur Sherry, deputy district attorney, who intimated that the matter may be dropped at that date.

Duncan was recently arrested for disturbing the peace on a complaint signed by his niece, Mrs. Florence Hutchings of Oakland. He entered a plea of not guilty last week through his attorney, Herbert Johnson. He lives at 837 Jackson Street and is the operator of a shoe-shine stand in this city.

Regrets were expressed by many members of the congregation upon the leaving of Rev. Willis Loar, who had temporarily occupied the pulpit of the Albany Baptist Church, when he left Wednesday for Pendleton, Ore., where he will stop for a while before returning to his home at Dillon, Mont.
